Re: California Public Records Act request via email dated June 05, 2019

Mr. Sinyangwe:

The County of Siskiyou is in receipt of your California Public Records Act request sent via email dated June 05, 2019 and received via email on June 05, 2019. For purposes of California Government Code section 6253(c), your California Public Records Act request is considered received by the County on June 05, 2019.

The County is reviewing your request and is seeking responsive records. The records you have requested require the County to search for, compile, collect, and examine large amounts of records utilizing extensive staff time and resources. In addition, some of the records requested may be exempt from disclosure under applicable privileges and or disclosure exemptions. Some of these documents will therefore require legal review and redaction.

Should you have any questions or concerns regarding this response, please do not hesitate to contact me at (530) 842-8310.

Very Truly Yours,
